# General Information

## How does it work?

- Schools indicate their interest, and preferred dates & time-frame, along with the number of participants
- OSU Soccer will set-up & coordinate the festival, which can include age-appropriate training & games
- The festival will be between 1 - 3 hours in length, depending on the school's preference
- OSU Soccer can also offer sport-specific coach education for teachers who are interested
- Events may be held in the Fall or Spring time, on-site at your school!
- There is no costs for schools to participate within a festival

## More about OSU Soccer

Ottawa South United Soccer is one of the largest community soccer clubs in the country. OSU soccer is recognized by Canada Soccer as a National Youth Club License Holder for our technical, operational & governance standards. As part of our community outreach mandate, we are pleased to offer school festival days within our communities to help provide and encourage participation within sport to children.
