

Competitive Player Uniform Policy

The Uniform policy fosters a sense of professionalism and unity within the Club by demonstrating greater respect for the uniform and a “club” look at practices, games and tournaments.

All Force Academy Competitive players in age categories U9-U16 are responsible for purchasing their own team uniforms (home and away jerseys, home and away shorts, white Nike socks).

Games, Tournaments and Travel.

1. Each player shall wear club **NIKE** uniforms at each game. Player will have socks pulled up and shirts tucked at all times from warm up to the end of the games.
2. Players will warm up for games in their Nike practice t-shirt and then change into their uniform.
Mandatory U12 and Up players and optional for U9 - U11 players

2. Each player will wear official **NIKE** track suit to and from the game and when traveling. This applies to all members of the team.

Training:

1. Players will wear the appropriate official club training kit (Nike T-shirt, shorts, socks) and bring their Nike ball properly inflated to all training sessions. **NO EXCEPTIONS**
2. In the event of cold weather players should wear the official **Nike** club track Suit

All competitive uniforms are to be same across the Club, no exceptions.

In the event players do not conform to these policies, it is up to the coach and team manager of the team to enforce the policy using best judgment; this should include taking away playing time for repeated or serious violations.

In the event coaches do not enforce the policy, the Club will use its best judgment to develop appropriate sanctions.

The logo's on training uniforms, and any Ottawa South United S.A Uniforms will be the same.

Any requests to add sponsors, must be approved by the OSU Board of Directors or it's designate. **NO EXCEPTIONS**

Uniform Numbers

If a conflict occurs between two players that wish the same uniform number the player that was already part of the team has the first option for the particular number.

In the event this is a new team than the coach will make a decision on numbers.

Uniform Sponsorship

The Club reserves the right to secure sponsorship for all competitive uniforms / equipment to offset club costs.
